

League Information

General:

- The Louisville Poker Society League (“League” hereafter) consists of ten (10) no limit Texas Hold’em tournaments, in which a score is generated for each member in good standing based on performance.
- The League, Main Event, and special events are for Members in good standing only.
- Guests may participate in two (2) tournaments per calendar year. Guest will carry a score for their participation only if they become a Member in good standing.
- A Member’s season score will be calculated based on their best six (6) individual tournament scores. There are a total of ten (10) league games; therefore up to four (4) bottom scores will be dropped when applicable.
- If a guest becomes a Member, they will gain all points earned as a guest.

Method of Scoring:

Tournament scores will be calculated as such:

- Part 1: Total Number of Players – RANK + 1

For example, with a 20 player tournament:

1st place = 20 – 1 + 1 = 20 points
 2nd place = 20 – 2 + 1 = 19 points
 3rd place = 20 – 3 + 1 = 18 points
 ...
 20th place = 20 – 20 + 1 = 1 point

- Part 2: 1 point will be award for each knockout you make during tournament play.

- Part 3: 1st through 5th places will receive additional points, based on the following schedule:

1st – 5 points
 2nd – 4 points
 3rd – 3 points
 4th – 2 points
 5th – 1 point

- Full Formula: The full equation for calculating score is $(P - R) + K + B + 1$ where:

P is total number of players

R is rank finished

K is number of knockouts earned

B is bonus for a top 5 finish (Part 3 above)

- Scores will be posted to the StatsGenie.com website in a reasonable amount of time following each tournament. Login for the StatsGenie website will be provided upon request. Results will be sent by email following each tournament.
- The player in good standing with the top score after the 10th tournament (there are no points awarded for the Main Event) will be declared Player of the Year. Should there be a tie, highest number of knockouts among those tied will be used to determine a single winner.
- Winner of the Main Event will be declared the Main Event Champion.
